Building on the success of his last album, “The Road To Tomorrow”, “Pleasurecraft” is an album of danceable pop/soul tunes designed to move people on the dance floor and with a heart of gold.

The 90-minute show includes all the tunes on the album, & features two hit singles “Low and Slow” and “Familiar Sensations” from the previous album as well. Kyle also performs captivating & charismatic takes on simple yet classic soul tunes including “Never Too Much” (Luther Vandross) and “I’d Rather Go Blind” (Etta James).
